

Meet *our corner of* VERMONT

A place where beauty, recreation and local flavor blends with a desire to explore fresh ideas, whether it be in healthcare and public schools or a better way to harvest sap from our maple groves. True to our independent spirit, we take pride in ‘keeping it local,’ illustrated in our farm-to-table restaurants and CSAs, artisan shops and craft breweries.

Revel in the beauty and peace of our mountains, rail trail and Lake Champlain. At heart though, Franklin County is about more than the riches of the seasons afforded to us; it is the strong sense of community and ingenuity, combined with hard work, that emboldens us to find a better way to accomplish almost anything.

Welcome to our *Vermont Community...*
