

Primary Care Notice

June 3, 2022

Dear Patient:

Georgia Health Center and Northwestern Primary Care transitioned ownership on May 2, 2022, from Northwestern Medical Center to NOTCH.

You are receiving this notice because you are a former patient of Georgia Health Center or Northwestern Primary Care, and your Provider placed an order for follow up laboratory or diagnostic imaging healthcare services that has not been scheduled or completed by you and is currently more than 90 days old. **We are informing you that any outstanding incomplete Lab or Diagnostic Imaging orders are no longer valid.**

Your healthcare is important to us. Please follow up with your new primary care provider if you have any questions or concerns. We apologize for any inconvenience this transition may have caused.

Sincerely,

*The former practices of:
Northwestern Primary Care &
Georgia Health Center*
