

Northwestern Medical Center & Vermont State University
Registered Nurse Scholarship Program
Deadline for Applications is **December 31st** each year.

Eligibility Requirements:

- This scholarship is available to high school graduates who reside in the Northwestern Medical Center (NMC) service area or are dependents of NMC employees and who will be pursuing a Registered Nurse degree through Vermont State University (VTSU) at the St. Albans location.
- Candidates must meet requirements outlined by VTSU for their RN Program.
- Candidates must be willing to accept per diem employment in any department at the start of the program and transition to a Licensed Nursing Assistant in an inpatient setting following their first semester at VTSU. This requires an LNA license upon completion of 1st semester at VTSU. ***Employment Application required*
- Candidates must be willing to accept new graduate Registered Nurse positions at NMC following completion of degree at VTSU. ***Employment Application required.*
- Candidates must be willing to remain employed by NMC for a minimum of 3 years following completion of RN degree with VTSU, in a benefit eligible status (Part-Time or Full-Time status).
