

# Women's health care has a home at NMC

Maitri is bringing a team of experienced physicians and nurse-midwives to join NMC's OB/GYN practice, working alongside NMC providers to deliver dedicated obstetric and gynecologic care for every stage of life.

## EXPERIENCED PROVIDERS. PERSONALIZED CARE. RELATIONSHIPS BUILT TO LAST.

Shorter drive times for our patients traveling from Franklin County and northern Chittenden County.

Care from a consistent team of experienced providers, allowing you to build lasting relationships.

Women's health care through every stage of life, from annual visits and family planning to pregnancy and menopause.

A familiar care team during pregnancy and delivery at NMC's Family Birth Center.
