

October 19, 2026

Dear Patient:

We are writing to let you know of an upcoming change in our Urology practice. Dr. Kevan Sternberg will be leaving NMC in December to take a urology position with Copley Hospital in Morrisville. We wish him the best in this next chapter of his career, and we are thankful to him for his service to our community.

NMC is actively recruiting a new urologist to care for our patients as we know this service is so important to our patients and supports our mission of providing exceptional care for the community.

Dr. Sternberg will continue to see patients with appointments thru the end of December 2026. If you have an appointment scheduled after the end of Dec. it will remain scheduled unless we notify you. If you have an appointment with Jackie Bray, that will remain scheduled unless we notify you. We will continue to communicate with you.

Thank you for understanding. If you have questions about the practice, feel free to reach out!

Sincerely,

Kristy Cushing
